COMMENTS:

The August 18, 2003, amendments remove the provisions relating to pest control and add language to transfer the duties of the Enterprise Zone (EZ) Act from the Technology, Trade, and Commerce Agency to the Business, Transportation, and Housing Agency.

The August 18th amendments would not affect Franchise Tax Board's programs or operations relating to the administration of EZ tax credits and deductions. This bill also would not impact the state's income tax revenue.
